

# HOUSING JUSTICE IN OUR COMMUNITIES: AFFORDABILITY, GENTRIFICATION, AND DISPLACEMENT

Throughout this year MFHC is hosting a free series of community events focused on housing justice issues facing our communities.

Please join us on March 27th for the first event in this lecture series: a screening of the recently released documentary, *Roxbury*, followed by a panel conversation. The panel will feature the voices of local organizers, discussing the historical and contemporary impacts of – and community responses to – redlining, disinvestment, discrimination, gentrification and eviction, in Holyoke and Springfield.

Panelists:

- **Katie Talbot**, Lead Organizer, Neighbor to Neighbor
- **Tanisha Arena**, Executive Director, Arise for Social Justice
- **Rose Webster-Smith**, Executive Director, Springfield No One Leaves
